Structure of offering NPS

- **On-line selling (10):**
- Eight of all founded internet shops offer herbal drugs (i.e. *Salvia divinorum*, kratom, khat). Another two shops offer bath salts and aromatic sticks containing synthetic cannabinoids (AM-2201, AM-693, RCS-4) and cathions (4-MEC, naphyron).
- **Adman sale sites (11):**
- Via Slovak adman sale sites are most often offered new synthetic drugs 2/3 of these sites (7) are in sections „house and gardening“, „herbals“, „dogs“ or other services. They are offering so called „research chemicals“ (i.e. 4-MEC, 4-MMC, MDPV, JWH-, ketamine, naphyron). Four of there sites offer also *Salvia divinorum*.
